National Energy Conservation Week 2025

National Energy Conservation Week 2025 is observed in India from 14.12.2025 to 20.12.2025 by the Bureau of Energy Efficiency (BEE), Ministry of Power, Government of India. It aims to promote energy efficiency, reduce energy wastage, and encourage sustainable energy practices. The week begins with National Energy Conservation Day on 14 December. The theme for the week is **“Mission LiFE: Saving Energy for Future Generations”**. The main objectives are to create awareness about the judicious use of energy, encourage the adoption of energy-efficient technologies, promote sustainable development and environmental protection, and involve students, industries, institutions, and households in energy-saving initiatives.
