Editorial Message

I feel extremely happy to bring forth the 3rd issue of VINHOMOEEO E-News bulletin for the year 2023. Our College has grown over the years but has not aged and it continues to be as prestigious in pursuing excellence and professionalism. Our college continues to provide an ideal environment for each one of you to blossom into fine flowers whose fragrance should spread wherever you go. I usually believe that the experience of life teaches us no shortcuts to hard work and no gain without pains and key for success are positive attitude, perseverance, passion, commitment and self belief. We must develop an insight into our strength and weakness.

As you scan through pages, it will enlighten up with some important activities happened during the period of July–Sept 2023. Some of remarkable events are celebration of our Honorable pro chancellor birthday and our honourable Executive director birthday, 16th convocation of VMRF-DU, free Homoeopathic medical camps, inauguration of speciality units in our hospital, Independence day and eco-friendly vinayakar chadurthi celebration and so on.
